ARTICLE 4
BOARD OF DIRECTORS

4.1. The Board of Directors of the Association shall consist of an odd number not less than five (5) nor more than nine (9) persons, who need not be members of the Association, and who may be authorized representatives, officers or employees of a member of the Association.

4.2 Election of directors shall be conducted in the following manner:

4.2.1 The Board of Directors of the Association shall be appointed by Declarant and shall hold office until their successors are elected or designated in accordance with these By-Laws at the first Annual Meeting of the membership. The names and address of the members of the first Board of Directors are set forth in Article VII of the Articles of Incorporation of the Association, the provisions of which are incorporated herein by reference.

4.2.2 The Class B Members shall, at the first Annual Meeting and at each Annual Meeting thereafter until such time as the Class B membership is terminated, designate the members of the Board of Directors that they are entitled to designate in accordance with the Section 4.8 of these By-Laws, and upon such designation by the Class B membership, the individual or individuals so designated by the Class B Members shall be directors of the Association for all purposes, and shall thenceforth perform the office and duties of such directors until their successors have been selected or elected in accordance with the provisions of these By-Laws and the Articles of Incorporation.

4.2.3 At the first annual or special meeting of the membership after the termination of the Class B membership and at each Annual Meeting thereafter, all of the directors of the Association shall be elected by the Class A membership. The election of directors shall be by ballot (unless dispensed with by unanimous consent) and by a plurality of the votes cast. There shall be appurtenant to each lot as many votes for directors as there are directors to be elected, provided, however, that no member may cast more than one vote for each Lot owned by that member for any person nominated as a director, it being the intent hereof that voting for directors shall be non-cumulative. A ballot may be incorporated in a limited proxy form. A nominating committee of not more than five (5) members of the Association may be appointed by the Board of Directors not less than forty (40) days prior to the Annual Members' Meeting. The committee shall nominate one (1) or more persons for each director then serving. A director then serving may be nominated to a successive term. Additional nominations may be made from the floor at the time of the meeting. Other than the special elections of successor directors to those appointed by the Class B membership, the election of directors shall be held at the Annual Members' Meeting.

4.2.4. Directors shall serve staggered terms, beginning with the first election of directors after the termination of Class B membership. At such meeting, the Class A members shall first choose an odd number of directors not less than five (5) nor more than nine (9), and shall then elect such directors to staggered terms, all as set forth in Article VIII of the corporation's Articles of Incorporation, as amended by the corporation's Articles of Amendment.

4.2.5 Except as otherwise provided herein, vacancies in the Board of Directors occurring between Annual Meetings of the members of the Association shall be filled by the remaining directors, unless the vacancy is in a Board of Directors seat appointed by the Class B membership, in which case the Class B membership shall appoint the successor.

4.2.6 Any director elected by Lot owners other than the Class B membership may be removed by a concurrence of a majority of the votes of the entire membership at a special meeting of the members called for that purpose. The vacancy in the Board of Directors so created shall be filled by the membership of the Association at the same meeting.

4.2.7 None of the directors selected by the Class B membership shall be subject to removal by the members other than the Class B membership.

4.2.8 The Class B membership shall have the absolute right at any time, in its sole discretion, to replace any person or persons appointed by it to the Board of Directors with another person or other persons to serve on said Board of Directors. Replacement of any person designated by the Class B membership to serve on any Board of Directors of the Association shall be made by written instrument delivered to any officer of the Association, which instrument shall specify the name of the person to be replaced, and the name or names of the person designated as successor to the person so removed from the Board of Directors.

4.2.9 The term of each Director's service will extend until the next Annual Meeting of the members most recently preceding the expiration of such Directors' term, and if not then reelected, thence until his successor is duly elected and qualified, or until he is removed in the manner elsewhere provided.

4.3 The organizational meeting of a newly elected Board of Directors shall be held within ten (10) days of their election, at such time and at such place as shall be fixed by the Directors, at the meeting at which they were elected, and no further notice of the organizational meeting shall be necessary, provided a quorum shall be present.

4.4 Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the Directors and shall be open to all lot owners. Notice of regular meetings shall be given to each Director, personally or by mail, telephone or telegram, at least three (3) days prior to the day named for such meeting.

4.5 Special Meetings of the Directors may be called by the President, and must be called by the Secretary at the written request of one third (1/3) of the votes of the Board. Not less than three (3) days' notice of a meeting shall be given to each Director, personally or by mail, telephone or telegram, which notice shall state the time, place and purpose of the meeting.

4.6 Any Director may waive notice of a meeting before or after the meeting, and such waiver shall be deemed equivalent to the giving of notice.

4.7 A quorum at a Directors' meeting shall consist of the Directors entitled to cast a majority of the votes of the entire Board. Acts approved by a majority of the votes present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors. If any Directors' meeting cannot be organized because a quorum has not attended, the Directors who are present may

adjourn the meeting from time to time until a quorum is present. At any adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted without further notice. The joinder of a Director in the action of a meeting by signing and concurring in the minutes thereof shall constitute the presence of such Director for the purpose of determining a quorum.

4.8 So long as the Class B membership exists, the Class B Members shall be entitled to designate all of the members of the Board of Directors. After the Class B membership converts to Class A membership in accordance with the Supplemental Declaration, the Class B membership's right to designate the members of the Board of Directors shall terminate, and the election of all directors at the first Annual Meeting of the membership thereafter shall be in accordance with Section 4.2.3 hereof. All members of the Board of Directors whom the Class B Members whom the Class B membership are entitled to designate shall be elected by a plurality of the votes cast by Class B Members at a special meeting of Class B Members called by any Class B Member for the purpose of electing directors to be designated by the Class B membership. Voting by Class B Members shall be noncumulative, and each Class B Member may cast ten (10) votes for each Lot owned by that member for any person nominated as a director. Persons may be nominated as a prospective director by any Class B Member.

4.9 All of the powers and duties of the Association shall be exercised by the Board of Directors, including those existing under the common law and statutes of the State of Florida, the Articles of Incorporation of the Association, these By-Laws and the Declaration. Without limiting the generality of the foregoing, the Board of Directors shall have the power:

4.9.1 To make, levy and collect assessments against members and lots to defray the costs of the Association and to use the proceeds of said assessments in the exercise of the powers and duties granted to the Association, including but not limited to, the maintenance and repair of the stormwater management system located within the Common Area;

4.9.2 To maintain, repair, replace, and operate property owned by the Association and to maintain the Common Area, including but not limited to the stormwater management system located therein, as required under the Declaration, and grant such easements over, upon, across, and under the Common Area as the Board of Directors deems to be in the best interest of the Association and its Members.

4.9.3 To procure and maintain adequate comprehensive general liability and hazard insurance for the protection of the Association and its property; as well as liability insurance for the protection of the Directors.

4.9.4 To make and amend regulations governing the use of the property owned by the Association, including but not limited to the Common area, so long as such regulations or amendments thereto do not conflict with the restrictions and limitations which may be placed upon

the use of such property under the terms of the Articles of Incorporation and the Supplemental Declaration.

4.9.5 To contract for the management of the Association and to delegate to such contractor all of the powers and duties of the Association, except those which may be required by law or the Declaration to have approval of the membership of the Association;

4.9.6 To enforce by legal means the provisions of the Articles of Incorporation and By-Laws of the Association and the Declaration.

4.9.7 To pay all taxes and assessments which are liens against the Common Area and other property of the Association, and to assess the same against the members and their respective lots.

4.9.8 To employ personnel and engage professionals for reasonable compensation to perform the services required for proper administration of the Association;

4.9.9 To suspend the right of any Class A member of the Association to vote in Association matters, upon such member's failure to pay when due, any assessment duly assessed upon such member's lot by the Association or upon such member's violation of any covenant or restriction of the Supplemental Declaration. Voting rights of a Class A member shall only be suspended by a majority of the Board of Directors at a meeting occurring no earlier than fifteen (15) days after mailing by certified U.S. Mail a notice of such meeting to the affected member. Such notice shall state the time, place, and purpose of the meeting together with a description of the defaults and/or violations charged. The voting rights of any member suspended in accordance herewith shall be automatically reinstated upon full payment of amounts owed to the Association and compliance with all applicable covenants and restrictions.

4.9.10 To take such other actions as may be reasonably necessary to fulfill responsibilities of the Association as set forth in the Article of Incorporation and the Supplemental Declaration.

ARTICLE 5 **OFFICERS**

5.1 The executive officers of the Association shall be a President, who shall be a director, a Secretary, a Treasurer, and such other officers as the Board of Directors shall deem necessary, all of whom shall be elected annually by the Board of Directors and who may be peremptorily removed by vote of the Directors at any meeting. Such an account shall designate the name and address of the owner or owners, the amount of each assessment against the owners, the dates and amounts in which assessments come due, the amounts paid upon the account and the balance due upon assessments. As provided in the Declaration, each member is obligated to pay to the Association annual and special assessments which are secured by a continuing lien upon the Lot against which the assessment is made. Any assessments which are not paid when due shall be delinquent, and such delinquent assessments shall be subject to penalties and interest as set forth in the Supplemental Declaration. In the event of any delinquency in the payment of assessments, the Association is empowered to commence an action of law against the Owner personally obligated to pay such assessments or foreclose its lien upon the Lot against which such delinquent assessments are owed.

6.4 In the event a previously adopted budget shall be insufficient in the judgment of the Board of Directors to provide funds for the anticipated current expenses for the ensuing year and for all of the unpaid operating expenses previously incurred, the Board of Directors shall amend the budget and shall make amended monthly assessments for the balance of the year in sufficient amount to meet such expenses for the year.

6.5 If any Class B Member holds Lots for sale in the ordinary course of business, no actions shall be taken by the Association that would, in the sole discretion of the Class B Member whose Lots are affected, be detrimental to the sale of Lots or units by the Class B Member without written approval of such Class B Member. AMENDMENTS

8.1 These By-Laws may be amended, modified, or rescinded in whole or in part by the Class B membership holding a majority of the votes eligible to be cast by the Class B membership, as it in its sole discretion deems necessary or desirable, so long as such amendment, modifications, or rescission does not (a) substantially change the character, nature, or general scheme of development of the Property as set forth in the Supplemental Declaration and (b) does not materially adversely affect any Class B Member.

8.2 In addition to the manner of amendment set forth in Section 8.1 above, and after conversion of all Class B membership to Class A membership, these By-Laws may be amended in the following manner:

Any member may, by signed waiver, waive such notice, and such waiver when filed in the records of the Association, whether before or after the holding of the meeting, shall be deemed equivalent to the giving of notice to such member. At such meeting the amendment or amendments proposed must be approved by the affirmative vote of not less than 66.67 percent of all votes eligible to be cast by the total membership, in order for such amendment or amendments to become affective.

8.2.3 At any meeting held to consider any amendment or amendments of these By-Laws, the written vote of any member of the Association shall be recognized if such member is not in attendance at such meeting or represented thereat by proxy, provided such written vote is delivered to the Secretary of the Association at or prior to such meeting.

8.2.4 In the alternative, an amendment may be made by an agreement signed and acknowledged in the manner required for execution of a deed by the record owners of 66.67 percent of the Lots described under the Supplemental Declaration and any supplement thereto.

8.3 No amendment to these By-Laws which would abridge, amend or alter the rights of the Declarant or the Class B membership may be adopted or become effective without the prior written consent of the Declarant and those Class B Members holding a majority of the votes of the Class B membership, as the case maybe. So long as Declarant owns any property which is subject to the jurisdiction of the Association or may be submitted to the jurisdiction of the Association as provided under the Declaration, Declarant shall have a veto power over all actions of the Board of Directors of the Association as set forth in the Declaration which provision is incorporated herein by this reference.
